

# Elonex Outdoor Media

## New Site Requirement

Operating 3000 + outdoor digital advertising billboards across the UK, Elonex is the fastest growing digital out of home advertising network.

Currently seeking locations to install new screens ranging from 0.74m x 1.48m, to 5m x 7.5m.

### Our Requirement

- ▶ Sites adjacent to arterial traffic networks and high streets all over the UK, suitable for large roadside screens
- ▶ Landlords with large property portfolios suitable for our smaller screen network. This can include shopping centres, transport hubs and large retail portfolios
- ▶ Flexible funding model, Elonex can fully fund the screens, or Landlords can fund/contribute
- ▶ Flexible rental options such as fixed rents or profit share agreements, depending on Landlord contribution to screen cost
- ▶ Opportunity for Landlords to advertise their own products on the screens, free of charge at certain times
